

25 YEARS OF DISCOVERY

Commemorating Hubble Space Telescope's 25th Anniversary - April 24, 2015

Participate in Hubble's big day by sharing a birthday celebration of astronomical proportions with live-streaming of special activities from the National Air and Space Museum from 5:00-6:00pm Pacific / 8:00pm-9:00pm Eastern. The program will feature a master of ceremonies, speakers, dignitaries and some truly amazing visuals.
